

## Welcome to the KinQuest Alpha Test!

Thank you for being one of the selected members of the Kin community to help us shape the future of KinQuest. This document outlines your journey through the alpha version, suggesting tasks to explore, and providing a format for your feedback on features.

### User Journeys to Try Out:

#### 1. Task Creator Journey:

- **Create a Task:**
  - Go to the 'Create Task' section.
  - Make up a simple task like "Suggest a name for our next community event."
  - Fund your task with some KIN.
- **Monitor and Vote:**
  - Check back after some time to see if there are solutions proposed.
  - Vote on the solutions you like, using your KIN voting power.

#### 2. Task Solver Journey:

- **Find a Task:**
  - Navigate to the 'Available Tasks' section.
  - Choose a task that interests you.
- **Propose a Solution:**
  - Submit your solution or idea through the platform.
  - Keep an eye on your solution to see if it gets votes.

#### 3. Community Voter Journey:

- **Review Tasks:**
  - Browse through the tasks listed.
- **Vote on Solutions:**
  - Use your KIN to vote on solutions you think are best for tasks you're interested in.

**When you want to suggest any feature, please use this suggestion Format:**

**Feature:** [Name of the feature you're discussing]

**Observation:** [What you noticed while using this feature]

**Suggestion:** [Your idea for improvement or new feature]

**Impact:** [How do you think this change would affect users or the platform]

Please take some time to complete this survey: [KinQuest Survey](#)

**Closing Notes:**

**Remember:** This is an alpha version; expect some rough edges.

**Community:** Your involvement is crucial in making KinQuest the best it can be.

**Thank you:** For your time, effort, and passion in this testing phase.

Let's build something amazing together!
